**WHY IS MY DOG'S NAME MISSING FROM THE LIST OF QUALIFIED DOGS?**

If you're dog isn't on the list of qualifiers, don't panic. Your dog's name may be missing due to one of the following reasons:

1) A test-giving club has not sent in the results of their test or it has not been received or processed yet by Retriever Field Trial News who tracks the qualifiers for the event ; 2) The MH was omitted from your dog's name, consequently RFTN is looking for an additional qualifying score; 3) Good old human error.

If you believe there is an error due to reasons number #2 or #3, compile a list of the tests your dog received qualifying scores at (name and dates.) If a MH title was omitted please include the date your dog finished its title. [Please email the complete information to the secretary and it will be forwarded.](#)
